What I Do

Shariful Cuts — client video editing (Upwork & Cutjamm). **Shariful Reflection** — original music & motivational content across Bangla, Hindi & English channels. **GoVidCo** — video production & automation agency.

What Clients Say

"Shariful delivered fast, high-quality edits and communicated clearly throughout. Highly recommended for anyone needing reliable video work."

"Great attention to detail and pacing — our Shorts started performing noticeably better after he took over editing."

"Professional, responsive, and consistent. One of the few editors I've worked with who never misses a deadline."
